Sir:

AMENDMENT

In response to the office action dated February 17, 2000 please make the following changes in the subject application.

**IN THE DRAWINGS**

With regard to the objection to the drawings stated in the Notice of Draftsperson's Patent Drawing Review enclosed with the Office Action, it is hereby requested in accordance with 37 CFR 1.85(c) that correction of the drawings be deferred until the Examiner indicate that allowable subject matter exists in the subject application.

**IN THE SPECIFICATION**

Please correct the typographical error on page 13, line 13 by deleting the last word on line 13 "between".

**IN THE CLAIMS**

Please delete claim 1 without prejudice.

Please add the following new claims:

(1) An imaging system comprising:

a non coherent light source for generating light, said non-coherent light source having a color temperature between 2000 Kelvins and 3500 Kelvins and a color rendition index (CRI) of more than 90,
